

WHO WE ARE

Mitey Riders is a 501(c)(3) non-profit organization offering therapeutic riding and equine-assisted activities to children with special needs. We have provided equine-assisted therapy to children with special needs, free of charge, for 26 years. Mitey Riders' program provides physical, social and emotional benefits to participants that have a range of disabilities including spina bifida, autism, cerebral palsy, Down syndrome and more. Each week from September to May, we host our riders and their families with the help of over 200 volunteers and 20 specially trained horses. For some students riding is an opportunity to leave wheelchairs and crutches behind and view the world from new heights.

BENEFITS OF THERAPEUTIC RIDING

Therapeutic riding encourages the development of physical, cognitive, and social skills. Our program develops confidence, a sense of independence, and encourages focus and communication. Our horses turn an ordinary day into something truly extraordinary!

Mitey Riders is 501(c)(3) non-profit & a PATH Intl. Premier Accredited Center for Therapeutic Riding.
