

# VOLUNTEER APPLICATION

# Hello, and thank you for your interest in Mitey Riders!

Within the contents of this packet, you will find all the necessary forms that need to be completed to become a volunteer in the Mitey Rider program. Please make sure all forms are COMPLETE before your send in your application, otherwise the process will take longer.

Once we receive your application, we will confirm with you that all forms are complete. At this time we will schedule you for our next available Volunteer Safety Orientation. All of our volunteers - new and returning – are required to attend a Volunteer Safety Orientation each year. This helps us keep our program's safety standards high, and allows us the opportunity to update you each year on new policies, procedures, students, horses and more.

Our riding season begins in September and ends in May of each year. For this reason, most of our Volunteer Safety Orientations are held in August and September. During these orientations you will have the chance to learn about different volunteer opportunities, and we will match you with a placement that best suits your skills and preference.

Please review the checklist below before submitting your application. This will ensure your application is complete and ready for review.

	Part 1 (Return to Mitey Riders Office)

Sincerely, The Team at M	listy Meadows Mitey Riders

# PART TWO > VOLUNTEER APPLICATION > Volunteer Jobs & Descriptions

Below you find a list of our Volunteer Jobs & Descriptions. Please keep these pages for your records at home. You can also find this information, and much more, on our web site at www.miteyriders.org.

### **LESSON VOLUNTEERS**

These are the volunteers who work directly with the riders and the horses in class. One can choose to be a Horse Leader, a Sidewalker or both. Training is provided for all lesson volunteers. See the Volunteer Guidelines to make sure you can apply.

#### **LEADERS**

Leaders are responsible for the horse - before, during and after class. To become a Leader, interested volunteers MUST attend Leader training, be at least 16 years old, and have 2+ years of horse experience. We ask all volunteers interested in becoming a leader to work as a sidewalker for one full season first.

#### **SIDEWALKERS**

Sidewalkers are responsible for the rider. This volunteer is responsible for helping the rider understand lesson instruction and assisting the rider with lesson activity. Sidewalkers must be at least 15 years old.

### **BARN TEAM**

For those volunteers who want to really get "up close and personal" with the horses this is the perfect job. These volunteers provide special horse and stall care for their assigned horse each week. To become part of the Barn Team, volunteers MUST attend the Barn Orientation and MUST have some prior horse experience.

# **FACILITY MANAGEMENT**

From painting, to irrigating, to building fences, to cleaning and everything in between – we have endless volunteer opportunities for "handy" individuals or groups that want to work together on a project. These volunteers are essential to Mitey Riders!

### **OFFICE VOLUNTEERS**

These very important volunteers help with an array of tasks - including bulk mailings, photo copying, filing, word processing, computer systems support and answering phones. It is a wonderful volunteer opportunity for people who may not be keen about being around horses, or may need to limit their physical activity but still really want to lend a hand.

## **FUNDRAISING AND SPECIAL EVENTS**

We always need volunteers who are willing to help plan and implement fundraising and other special events. These are fun and rewarding opportunities to be creative and really bring a project to fruition. Such events make an impact in drawing the community's attention and support to the Mitey Riders.

# **SPECIAL SKILLS**

If you possess skills or professional/technical experience that may benefit Mitey Riders, such as photography, grant writing, computer knowledge, photography, etc., we encourage you to contact us.
